

BM TRADA

CERTIFICATE OF CONSTANCY OF PERFORMANCE

Notified Body No. 1224

In compliance with *Regulation 305/2011/EU of the European Parliament and of the Council of 9 March 2011* (the Construction Products Regulation or CPR), this certificate applies to the construction product

Norjoist/Nordic Joist

Light Composite Wood Based Beams complying with Service Class 1 and 2 as defined in Eurocode 5, intended for structural use as floor or flat roof joists in Building Construction

produced by

Nordic Engineered Wood

Windsor Station, Suite 504
1100, avenue des Canadiens-de-Montréal
Montreal, (Quebec)
Canada
H3B 2S2

and produced in the manufacturing plant (above)

Chantiers Chibougamau Ltd

521, chemin Merrill
Chibougamau, (Québec)
Canada G8P 2K7

This certificate attests that all provisions concerning the assessment and verification of constancy of performance and the performances described in the ETA

ETA 09/0035

under AVCP System 1 are applied and that

the products fulfill all the prescribed requirements set out above.

This certificate was first issued on 16 June 2014 and will remain valid until the date of expiry shown, provided that the ETA remains valid and the manufacturing conditions in the plant or the factory production control itself are not modified significantly.
